## Toolkit for Imams

Current economic difficulties are leading to sharp rises in unemployment, job insecurity and indebtedness, impacting Muslims hardest, as British Muslim unemployment is [already more than triple the national average](#).

With this in mind, 1st Ethical have launched the Money Matters campaign in partnership with [Al-Qalam Shari'ah Scholar Panel](#) to empower Muslims to succeed in money management and entrepreneurship. Read our Money Matters guide [here](#) to understand the importance of managing your wealth in a halāl manner.

This Toolkit for Imams gives step-by-step instructions on how to better educate your congregation on money matters, with our team at 1st Ethical ready to support you throughout the campaign.
