Toolkit for Imams

Whilst most Muslims recognise Zakāh as a pillar of the faith, many are not sure how to calculate and distribute this obligatory charity, especially when it comes to contemporary assets like pensions, debts and shares.

1st Ethical have a long standing track record of research into Zakāh issues. We have partnered with [Al-Qalam Sharī'ah Scholar Panel](#) to publish our [Zakāh Guide](#), which explains how to properly apply fiqhi Zakāh principles to contemporary assets.

This Toolkit for Imams gives several suggestions as to how you can raise awareness amongst your congregation of this pillar of faith. Our nationwide team of campaign coordinators are able to support Imams with implementing this campaign.

Our [Zakāh Guide](#) is available to download. Access yours free now!
